What Every Veteran Student Should Know

Veteran students and qualified dependents should be aware of the following facts:

When to Apply

You must apply for benefits each semester. **Nothing is automatic.** All forms and assistance are available on campus from the Veterans' Services Coordinator located in the Registrar's Office.

A veteran or qualified dependent **must be a registered student** before forms can be submitted to the Veterans Administration Regional Office for application for benefit payments. Evidence of enrollment must be furnished to the Tyler Junior College Veterans' Services Coordinator **each enrollment period** in order for benefit payment to continue.

Students will be certified only for courses outlined in their degree objective approved by the Veterans Administration.

Course Changes

Course changes (drop-add) must be in compliance with requirements of the degree objective specified to the Veterans Administration. Each veteran (and qualified dependent) is responsible for notifying the Veterans' Services Coordinator of any changes in his/her schedule during the drop-add period and any changes thereafter. Failure to do so does not relieve the student of responsibility to report to the Veterans Administration or for any possible liability for overpayment which may be created.

Non-Completion Grades

V.A. regulations state that veterans (and qualified dependents) who drop classes after the drop-add period may be liable for **overpayment retroactive to the beginning of the semester**. Students who receive a grade of "W" (withdrawal or drop) or "WF" may be liable for overpayment back to the beginning of the semester, exception being for mitigating circumstances established by the Veterans Administration.

Satisfactory Grades

Satisfactory grades must be maintained in order to assure continued qualification for V.A. educational benefits.

Concurrent Enrollment

If you are concurrently enrolled in another institution, you must notify the Veterans' Services Coordinator in order for necessary paperwork to be submitted for correct receipt of benefits.

Transfer Students

Transfer students must furnish transcripts for previous enrollment in order that proper credit may be granted toward the degree objective designated to the Veterans Administration.

Repeating Courses

Veterans or qualified dependents may be certified for repeating a course if the grade previously earned does not satisfy graduation requirements and overall progress is satisfactory.

Benefit Schedule

9-11 semester hours ¾ time
6-8 semester hours ½ time

MOLLY O'HERN, special ed major, from Tyler.
"I chose TJC because of the Apache Belles. I went to a private high school and I wasn't ready for a major university. I felt this would be a better start. Belles has been exciting and a very positive experience and I have made a lot of close friends."

JERRELL BROWN, ornamental horticulture student from Hainesville. "TJC has always had a nice image for me. Some friends from high school went to TJC so I have always heard of it. Although I am a disabled veteran, I don't feel out of place being with the younger people. The instructors are well qualified, know their material, are enthusiastic and it shows in the instruction. TJC is a good environment."

Tyler Junior College

1926-1986

Founders Day Celebration Highlights

September 17, 1985

Pirtle Tech Phase V Dedicated

The Founders Day Celebration officially began earlier in the day with the dedication of Phase V of the George W. Pirtle Technology Center.

Phase V added roughly 25,000 square feet of classroom and office space and 20,000 more square feet that will be finished and equipped as the need for certain programs arise.

Every expansion of the Center has been possible through the benevolence of the late George W. Pirtle.

The TJC Alumni Association presented the College with a special flag to be used during the year. Flag design is by Dana Adams, Tyler artist.

TJC: Opportunity With Excellence

Tyler Junior College's official 60th Anniversary seal made its debut at the Founders Day Celebration, September 17, 1985, and will be used by the College throughout the birthday year. Because about three-fourths of the 12 months coincide with Texas Sesquicentennial, Tyler artist Dana Adams in creating the seal combined both the 60th and 150th themes. The seal will be retired after September 17, 1986.

Some of the College's first class members hoist TJC's 60th Anniversary/Texas Sesquicentennial flag that will fly on campus all year under Old Glory and Lone Star flags.

A small version of a giant birthday cake was presented to TJC President Dr. Raymond M. Hawkins by Student Senate officers. The larger cake was dessert for the approximately 2,500 persons attending the festivities.

The Apache Belles modeled the different costumes worn through the years, along with introducing their new official costume.

Students, faculty, staff, alumni and friends of the College feasted on a traditional barbecue lunch.

The Celebration concluded with the TJC cheerleaders releasing 60 red, white, blue, gold and black balloons.

The lawn in front of Jenkins Hall was covered with tables and chairs beneath tents. It was the first time anyone could remember being allowed to walk on the lawn.

Coming Attraction

One of the focal points of the College's 60th anniversary observance will be the unveiling of *A History of Tyler Junior College* in January 1986.

Authors Dr. Robert W. Glover and Linda Cross, history instructors at Tyler Junior College, spent two and a half years in writing the book which covers the entire span of 60 years beginning with the inception of the College and continuing to the present day. The volume contains seven chapters and numerous photographs to supplement the text.

The authors took as a base an already existing history of the College by the late Dr. Robert Ballard, but expanded their work to furrow new ground and move in new directions. President Dr. Raymond M. Hawkins commented, "Bob and Linda have made good use of Dr. Ballard's invaluable volume, producing a less pedantic publication. It is a very readable and fascinating work."

Persons wishing to reserve a book may do so by calling 214/531-2372.

Continuing Education / Community Service

You Never Outgrow . . . The Need To Know

However you look at knowledge — even taking into account our desire to know more and more about a wider variety of subjects — information is still expanding at a greater rate than our ability to keep up with it. Enrollment is open to any person 17 years of age or over regardless of educational background. A minimum of 15 students may begin a class.

Instructors of Continuing Education / Community Service classes are chosen from leading businessmen and businesswomen, professional educators, and recognized sports and hobby enthusiasts.

Class Cancellations

Tyler Junior College reserves the right to cancel, combine or divide

classes, to change the time, date, place or course offerings, and to do so without incurring obligation. The College may discontinue a class at any time if attendance fails to meet expected levels.

When a course is being cancelled, every effort will be made to telephone students before the first day of a course.

Books and Supplies

Most courses will not require textbooks; however, because of the nature of the subjects some courses will require textbooks and/or supplies. You will be notified of the need for texts and other materials at the first class meeting.

The Continuing Education Unit

Participants in the specified courses conducted by Tyler Junior College are awarded "Continuing Education units." In approved courses, you receive one unit for each 10 hours of participation with decimal units given for less than 10 hours.

The awarding of the CEU is part of a national movement to provide records for participation in non-credit continuing education activities.

Transcripts

CEU transcripts are available for classes taken in 1975 or later. Requests for transcripts must be made to the office of the Registrar located in Jenkins Hall, 1400 East 5th Street. Fees are payable to Tyler Junior College in the office of the Registrar.

Certificates

Upon satisfactory completion of many non-credit classes, you as students will be awarded certificates in recognition of your achievement. Certificates are issued at the last class meeting to students who successfully complete a Continuing Education / Community Services course. The instructor is solely responsible for awarding certificates. No certificates will be mailed.

The cost of the initial certificate is included in the fee. An additional fee of \$5 will be charged to cover administrative costs of providing a duplicate certificate.

Senior citizens from 14 counties were on the Tyler Junior College campus last spring for a Mayfest and Health Fair. In addition to an apple peeling contest pictured above were hog calling, funny face and rooster crowing contests, along with domino and "42" tournaments.
